

**Legend Cross Country and Track
Booster/Sponsor Opportunity
2010-2011**

How Can You Help?

The athletic programs around the state are always in need of additional funding and support. Our Cross Country and Track teams have expenses as well. We are always looking at additional supplies to stay competitive, entry fees, transportation, travel expenses and trips; and of course we need to supplement our supplies each season. Our budgets only cover a fraction of these costs. We would like to offer an opportunity for your group or company to help us with a “banner” sponsorship.

Our Banner Program:

\$250 per school year would include:

A 3x5 foot banner with your company name/logo for advertising and exposure at the following events that we have planned:

5k run (August 21st) to be held at our school
Home Cross Country Meet: October 2nd
League Cross Country October 14th
Home Track Meet at Burt Stadium.
At least 1 home JV meet TBA
Listing on our Team Web Site and end of the year program!
We will hang banners at everything we can!

A listing on our team website and all published programs/flyers
Sponsorships help us to meet the expenses that are needed to host our events. Many of these events require more expense than other sports. All sponsorship money helps with students for these team expenses, t-shirts, bags, and competition expenses.

Please consider our sponsorship and/or donation of services.

Also Available: A Shared Banner with other sponsors for \$150! Parent Support Banners are also welcome! We would also be able to use any donation of services that you can help us with. Our big event will be our 5k run in August. Please email any questions and we will try to work with you! If this program will fit into your budgets, please contact me at your earliest convenience. If you can help in any way, we can always try to develop a program partnership that will work.

Thanks for considering this opportunity to partner with Legend High School Cross Country/Track.
