All visual art classes focus on individual expression and creative problem solving.

Course Descriptions

15425 Ceramics I

Semester: 0.5

Grades: 9, 10, 11

Prerequisite: None

Fee: \$40.00

Ceramics I is an introduction and exploration of 3-D design as it relates to basic hand building and wheel throwing techniques. Learn about clay properties, surface treatment and glazing techniques as you work with the medium to create unique forms and bring your ideas to life.

15430 Ceramics II

Semester: 0.5

Grades: 9, 10, 11

Prerequisite: Ceramics I

Fee: \$40.00

Ceramics II allows the artist to continue to develop basic handbuilding and wheel throwing skills. Emphasis will be placed on technique, form and design with additional development in the creative and conceptual design process.

15435 Ceramics III

Semester: 0.5

Grades: 10, 11

Prerequisite: Ceramics II or teacher approval

Fee: \$40.00

Ceramics III allows the artist to explore advanced techniques, forms, and designs. Advanced hand building, wheel throwing, glazing, and firing techniques will be addressed with an emphasis on individual artistic style.

15440 Ceramics IV

Semester: 0.5

Grades: 10, 11

Prerequisite: Ceramics III or teacher approval

Fee: \$40.00

Ceramics IV allows the artist to explore advanced techniques, forms, and designs. With a mentored, but independent study format. Emphasis will be placed on further developing quality and breath of your portfolio.

15450 Graphic Design I**Semester:** 0.5**Grades:** 10, 11**Prerequisite:** Teacher Approval**Fee:** \$40.00

Graphic Art is an introduction to the design skills and computer skills needed to effectively and creatively communicate visual concepts. You will work mainly with Adobe Illustrator to bring your ideas to life as you explore a variety of concepts, design elements and techniques.

15455 Graphic Design II**Semester:** 0.5**Grades:** 9, 10, 11**Prerequisite:** Graphic Design I or Teacher approval**Fee:** \$40.00

Graphic Art continues the creative and technical experiences introduced in Graphic Design I. Emphasis will be placed on real world applications and client based projects. You will explore the nuances of being a designer as well as the nuances of visual communication through electronic and print media (layout and design).

15460 Graphic Design III**Semester:** 0.5**Grades:** 10, 11**Prerequisite:** Graphic Design II or teacher approval**Fee:** \$40.00

Graphic Art allows you to explore advanced techniques, forms, and designs. You will continue to develop the creative and technical skills needed to compete in the professional world of Graphic Design. Individual artistic style will be emphasized along with creative problem solving.

15465 Graphic Design IV**Semester:** 0.5**Grades:** 10, 11**Prerequisite:** Graphic Design III or teacher approval**Fee:** \$40.00

Students will work on individual advanced projects with an emphasis on portfolio development.

15500 Draw/Paint I**Semester:** 0.5**Grades:** 9, 10, 11**Prerequisite:** None**Fee:** \$40.00

Draw/Paint I is an exploration of basic drawing techniques and compositional design. It is also an introduction to painting. Work with a variety of mediums such as graphite, colored pencils, watercolor, pen and ink, etc. to explore techniques that allow you to visually represent your ideas both realistically and abstractly.

15505 Draw/Paint II**Semester:** 0.5**Grades:** 9, 10, 11**Prerequisite:** Draw/Paint I**Fee:** \$40.00

Draw/Paint II allows you to focus on a more intense involvement in drawing and painting media, techniques, and artistic styles. Individual expression and artistic awareness will be emphasized as advanced techniques and design awareness is explored.

15510 Draw/Paint III**Semester:** 0.5**Grades:** 10, 11**Prerequisite:** Draw/Paint II**Fee:** \$40.00

Draw/Paint III allows you to explore advanced techniques, new mediums and more complex designs challenges. You will work with 2D media to bring your concepts to life. Individual artistic style will be emphasized along with creative problem solving as you continue to add to your portfolio.

15515 Draw/Paint IV**Semester:** 0.5**Grades:** 10, 11**Prerequisite:** Draw/Paint III**Fee:** \$40.00

Students will work on individual advanced projects with an emphasis on portfolio development.

15525 Jewelry I**Semester:** 0.5**Grades:** 9, 10, 11**Prerequisite:** None**Fee:** \$40.00

Jewelry I is an introduction to basic fabrication and casting techniques. Student will explore and create unique metal pieces by applying basic design concepts, sawing, surface, soldering, and lost wax casting techniques. This is fine art based metalsmithing class.

15530 Jewelry II**Semester:** 0.5**Grades:** 9, 10, 11**Prerequisite:** Jewelry I**Fee:** \$40.00

Jewelry II is an introduction to basic fabrication and casting techniques. Student will explore and create unique metal pieces by applying basic design concepts, sawing, surface, soldering, and lost wax casting techniques. This is fine art based metalsmithing class.

15575 Photography I**Semester:** 0.5**Grades:** 9, 10, 11**Prerequisite:** None**Fee:** \$40.00 (digital and film camera access is highly recommended)

Photography I is an introduction and an exploration of photography as both a fine art and commercial medium. Develop the skills necessary for basic camera operations, developing black and white film, printing traditional silver prints using an enlarger, digital imaging and digital printing. It is helpful to have access to both a digital camera and an SLR manual camera.

15580 Photography II**Semester:** 0.5**Grades:** 9, 10, 11**Prerequisite:** Photography I**Fee:** \$40.00 (digital and film camera access is highly recommended)

Photo II is a further exploration of photographic skills (both digital and film based) and compositional techniques with an emphasis on exploring your individual creativity and visual communication skills. Camera issues, digital manipulation, darkroom techniques will be addressed.

15582 Photography III**Semester:** 0.5**Grades:** 10, 11**Prerequisite:** Photography II or teacher approval**Fee:** \$40.00 (digital and film camera access is highly recommended)

Photo III is a further exploration of advanced techniques and compositional awareness. You will work with digital and traditional media to continue to develop your personal artistic voice as you add to your portfolio.

15585 Photography IV**Semester:** 0.5**Grades:** 10, 11**Prerequisite:** Photography III or teacher approval**Fee:** \$40.00 (digital and film camera access is highly recommended)

Students will work on individual advanced projects with an emphasis on portfolio development.

**69302 CE MGD111 Photoshop
(Dual College Credit Pending)****Semester:** 0.5**Grades:** 9, 10, 11**Prerequisite:** None**Fee:** \$35.00

Photoshop I is an introduction to Adobe Photoshop (the Design Industry's standard pixel based design program). Learning the basics of the software, the application of those skills and compositional basics will all be addressed. You will work with Adobe software to bring your ideas to life as you explore a variety of concepts, design elements and techniques.

**69303 ACC MGD112 Illustrator I
(Dual College Credit Pending)****Semester:** 0.5**Grades:** 9, 10, 11**Prerequisite:** None**Fee:** \$35.00

Illustrator I is an introduction to Adobe Illustrator (the Design Industry's standard vector based design program). Learning the basics of the software, the application of those skills and compositional basics will all be addressed. You will work with Adobe software to bring your ideas to life as you explore a variety of concepts, design elements and techniques.
